MAKE YOUR OWN HAIR TONIC

A Specialist's Advice.

In a recent issue the New York Herald
published a special article on the care
of the hair, in which was given the
formula for a home-made hair tonic,
which was highly recommended for its
restorative hair-growing properties, as
well as for stopping falling hair, revital-
izing the hair roots and destroying the
dandruff germ. This article was of
special interest to me, as the formula was
one which I myself have seen used in
countless cases with most astonishing
benefit, thus confirming my belief
that home-made preparations are the
best. For the benefit of those who have
not seen it before, I give the formula
herein.

Procure from your druggist an eight-
ounce bottle containing six ounces of
bay rum, also purchase a two-ounce
sealed bottle of Lavone de Composee
(Smith's), and one-half dram menthol
crystals. Dissolve the crystals in the
bay rum and then add the Lavone de
Composé; shake thoroughly and apply
night and morning to the roots of the
hair, rubbing into the scalp with the
finger tips. This preparation contains
no coloring matter, but restores gray
hair to its natural color by its action
on the hair roots. If you desire it per-
fumed, add one teaspoonful of To-Kalon
perfume, which combines perfectly with
the other ingredients and imparts a most
pleasing scent. Be sure to get all en-
closures in the Lavone de Composee
package, as they give much valuable ad-
vice on care of the hair and besides en-
title you to a sprinkler top for your
bottle, free of charge.

Do not apply where hair is not desired.

DOES YOUR BACK ACHE?

If it does, you should know that backache
is generally caused by weak or diseased
kidneys. A medicine called "Kinetin"
has all its ingredients printed on the
label, so that everyone may know just
what is in it. It is the great kidney
and bladder medicine. It stops frequent
urination. Druggists and dealers sell it
for 50c.

About the State

George Hanneman of Vergennes har-
vested an even 100 bushels of barley
from three pecks of seed.

Miss Rosalind Mailhot, a waitress in
one of the hotels at Rutland, was se-
verely burned on one arm, Friday, from
the elbow to the wrist, by the tipping
over of a cup of boiling coffee. A doc-
tor was called to dress the wound.

Judge Alton Dana of Topeka, Kan.,
made a swift cross-country run from his
home to Rutland last week by the fast-
est trains possible and went by auto-
mobile from there to Mechanicville to
visit his sister, who died 20 minutes
after his arrival.

John McCarthy, a moulder for the Ver-
mont Sash company of Springfield, fell
from a tree while hunting coons Monday
evening, September 20, and was seriously
hurt. He suffered concussion of the
spine, which caused paralysis. It is
not yet known whether he will recov-
er.

Mr. Squires of East Fairfield, 70 years
old, and very deaf, was struck by
moving freight car in the stock yard
last week, when his left foot was
crushed and his right one bruised, a very
narrow escape from having both legs cut
off by the car wheels.

Charles Whitney, miller for H. A. En-
gstrom & Sons, Morrisville, was whip-
ping a belt in the mill one day last
week, when the rag caught in the pul-
ley and drew his hand between the belt
and the pulley, breaking the little finger
of his right hand and otherwise injuring
it.

The West Milton co-operative cream-
ery was burned to the ground early Fri-
day morning by the bursting of a boiler.
The boiler was saved from the fire by
refrigerator but a large amount of cream
was in the process of churning and was
lost as was everything else connected
with the creamery. The company was
insured.

Engene Blair, the Rutland truckman,
who was caught between his wagon and
the roof of a building about four months
ago, and since that time has been par-
alyzed, was taken to the hospital in the
Rutland city hospital to his home in
Fort Edward, N. Y. The lower part of
his body is still paralyzed and it is not
thought that he can live long.

The Burlington camp of Woodmen is
realizing the first advantages of its tent
cottage at Colorado Springs as the first
member has been taken there. The camp
donated \$150 a short time ago for the
support of a tent in the colony of over
250, which have now been established.
It has been established for the cure of
consumptives and the order finds that
the camp has resulted in a savings in
death claims.

While at work assisting in cutting en-
slage on the farm of Wilder Pierce at
Highland park, Tuesday, Don M. Wheel-
er of White River Junction, received se-
vere injuries by getting caught in the
running gear of the cutter. He was in-
jured about the ankle and received badly
bruises and had his clothes well nigh
torn from him. He was taken to the
Junction house for the rest of the day,
but on Wednesday spunkily returned to
work.

David A. Elliott of White River Junction
received a telegram Monday of last
week, from Detroit, Mich., telling him
he had been elected a 33rd degree Mas-
on by the supreme council, Scottish
Rite Masons of the northern jurisdic-
tion, U. S. A., in session in the metro-
polis of Michigan. Mr. Elliott's con-
firmation in the degree to which he has
been elected will not be until September,
1911, as it requires that a full year must
elapse as such confirmation can take
place.

A visit to Ira Stewart's farm in Lin-
coln, carried on by Henry Stedman, will
convince anyone that Lincoln farms,
when farmed with intelligence, can and
will produce crops that will fill to over-
flowing the barns. Mr. Stedman har-
vested this year 125 tons of hay, 98 tons
of ensilage, and every available space in
the barn and sheds on the farm are
packed with oats and other grains.
Thirty-eight head of Holstein and other
cattle are kept on the farm.

Albert Sohara, a Polisher, was injured
Friday at the plant of the Vermont
Marble company, when he was hit upon
the head by a large piece of marble
waste, which was thrown upon a car
being loaded for shipment. Sohara was in
the car packing the waste and did not see
the piece of stone until it struck him
on the right hand, nearly severing the
first finger. It is not known yet whether
the finger can be saved.

Ludlow Church 104 Years Old.
The 104th anniversary of the Ludlow
Congregational church was observed Sun-
day, September 25, when the pastor, Rev.
W. J. Ballou, gave an historical address.
He reminded his audience that Ludlow
was chartered to three persons in 1761;
that only one of the three, Seth Lee, set-
tled there; that in 1784, the first settle-
ment was made, by James Whitney;
that in 1790, Ebenezer Gilbert built a
sawmill on the lower Mount Holly road;
that the first town meeting was held
March 31, 1792; that in October of that
year, in a meeting at the home of Steph-
en Roy by a vote of 13 to 7, a portion of
Ludlow's land, somewhat over
11,000 acres, was turned over to Mount
Holly; that in 1791, the town had a
population of 179; that in 1800 it had
410; and in 1810, the total was 877;
that Joshua Fletcher was elected the
first town treasurer and two years later,
Rev. Peter Reed, the Congregational min-
ister, was elected to that office. When
the church was organized this man was
made deacon and two years after was
ordained as pastor, the ordination cere-
monies taking place in a hollow just
back of the cemetery.

A committee has been formed in Eng-
land to erect a memorial on the spot
from which the Pilgrim Fathers em-
barked on the Mayflower, when they
sailed for America in 1620. Prof. Hearn-
shaw of university college, Southamp-
ton, has received many communications
from descendants of the Pilgrim Fathers,
and the interest has apparently been
more extensive than the organizers of
the movement had hoped. The Winslow
family wish to erect a panel in memory
of their ancestor. Among the Americans
who have been consulted are Andrew
Carnegie, Seth Low and Gov. Draper.
Next year, if plans are carried out, Au-
gust 15 will be observed as Pilgrim Fa-
thers day on both sides of the Atlantic.
Prof. Hearnshaw is making a register
of the descendants.
